CLUB NEWS

The spring season saw our junior rowers launching off the new low-profile rowing dock, funded and installed by the Dexter-Southfield rowing program. Our program has settled into the space that we lease from the Town of Milton, which allows us to store our boats closer to the dock.

Our junior rowers, under the leadership of Coach Bill and Coach Muriel, had a successful spring season, competing in five races. Notable performances include first place girls varsity finish in race against Thayer Academy, three first-place finishes for boys' varsity boats in the Mayor's Cup, and novice boys' victory in the Dirigo Sprints to name only a few!

Our junior rowers represent Milton High School, Milton Academy, BC High, and Arch Bishops Williams.

The Club held an Eargathon fundraiser in June, which raised \$6,300. Thank you to everyone who participated!
